Additional Experience

Testing Algorithms LLC. 378 Lauren Landing, Ballwin, MO. 63021.

Consultant (compensated). Steel Price Forecasting. October 2020 – current. Conducting research and preparing presentation to assist project lead in building a model to forecast steel price. Researched and analyzed 28 variables over a 10-year period to model demand, supply, macroeconomic factors and industry dynamics to be used in forecast model.

SportsImpacts St. Louis, MO 63108 and Los Angeles, CA 90025.

Consultant (Non-compensated). NCAA Labor Dispute Case May 2017 - May 2018.

Conducted research, prepared reports and prepped data for lead investigator to utilize in testimony as a witness for the NCAA in a labor dispute/termination case.

Consultant (Non-Compensated). Economic Impact Study, Elizabethtown, KY. February 2017 - December 2017. Analyzed 15 years of County Business Pattern data on business establishments, employment, wages, and population and comparing growth rate trends and different levels of analysis. Additionally, to better understand the per capita trends, I analyzed the population of the 9 bordering counties. Overall, I compiled over 3500 data observations on 13 NAICS codes to model 53 graphical relationships and write a white paper interpreting the data for inclusion in the completed impact study. The study is currently (Jan 2018) being submitted to city government in Elizabethtown and may present further opportunity for analysis if deemed necessary.

Consultant (compensated) Working with St. Louis Sports Commission March 2015.

Organize SLU students to obtain data for an Economic Impact Study of NCAA Division 1 and 2 Wrestling Championships held in St. Louis. Develop fan survey, collected data, emails for follow up survey.

Magpies Inc., R&D Land. 903 South Main Street, St. Charles, MO 63301.

Account Manager/ Restaurant Manager/ Bookkeeper. October 1996 – January 2011 / May 2012 – Feb 2017

Responsibilities included: the management of the restaurant accounts in Quicken and QuickBooks. Calculating and writing payroll checks, paying bills, accounts receivable, accounts payable, handling cash and credit card accounts, asset-liability and bank balancing. Tracking and maintaining restaurant inventory, invoice-billing clients, web design, scheduling and management of kitchen, staff, and daily operations of restaurant.

Consult with CEO on advertising, and promotional decisions as well as long term financial planning and expansion. Development and maintaining of online websites.

Easterseals Midwest 13545 Barrett Parkway Drive #300, Ballwin, MO 63021. *2018 Par-Tee Dinner Auction and Golf Tournament.* April 2018 - July 2018. Appointed Event Committee Member. Appointed to the Executive Planning Committee in preparation of annual golf tournament. Will coordinate the events auction and packing room finding and managing volunteers for the dinner auction. Will serve as VIP Concierge during event.

Walk, Run, and Roll Co-Chair Marketing and Outreach Committee. November 2015 – June 2016. Develop a list of target business for collateral distribution and lead the volunteer effort to distribute. Work in conjunction with ESMW marketing team to develop opportunities with local media outlets to promote the event. Corporate engagement.

Stanton Elementary PTO-VP Fundraising/Past President (June 2021 – Current) **President** (June 2019 – May 2021) **Treasurer** (May 2018 -May 2019 1430 Flora Del Dr, Fenton, MO 63026.

Elected president of PTO for Stanton Elementary in the Rockwood School District. Responsibilities include attending staff meetings as required by school principle, weekly email to staff/parents, organize/plan all PTO meetings, manage staff grants and staff allowance, oversee all PTO events and operations, develop short and long run PTO goals, facilitate staff support. Coordinate PTO calendar with all other community groups. Revised PTO bylaws and roles as needed. Prior as Treasurer, managed finances, plan and fund events, prepared tax-exempt documentation, provided monthly budget reports, develop short and long run funding goals, build community and school district relations, increase revenues, and oversee the expenses of a non-profit organization with a \$50,000 annual budget.

Grant Research Consultant for Susan Feigenbaum, University of Missouri-St. Louis. January 2015 – August 2015. Developing an NSF grant with a colleague at UMSL to develop a massive open online course (MOOC) on economic concepts found through current events. Compensated by PI through funds set aside for grant writing.

Pearson Education. *Compensated Reviewer.* March 2013, December 2011. Reviewed, fact checked, and provided feedback for Market Structure, Demand, Supply, and Elasticity chapters of Economics 1st Edition by Daren Acemoglu (MIT), David Laibson (Harvard), and John List (University of Chicago). Mary Clare McEwing Supervising Editor.

Internship in Economic Education January 2006- July 2006. Joint Internship through University Missouri-St. Louis and St. Louis Federal Reserve Bank. Was selected to enroll for credit internship. Responsibilities included doing research on Missouri entrepreneurs, their lives, business, and contributions to state and local economics. The research had to be developed and organized to develop an elementary style textbook for use through the Federal Reserve Economic Education. Additionally I was required to plan, teach, and evaluate a series of summer classes aimed at middle school age students sponsored by the St. Louis Federal Reserve.

Francis Howell School District. St. Charles, MO 63303.

Community Service

- Volunteer Youth Sports Coach
 - Football, 2021 – current, Baseball 2017-Current, Flag Football 2018-Current, Basketball 2019-2020
- Easterseals Midwest:
 - 2019 Holiday Event, Dinner, and Auction. Auction Captain Assisted in placing students in this two night event and coordinating the efforts of the student workers at the silent auction, packing room, and loading. Worked with the students in their various tasks both nights of the event. An additional 4 students took part in this service opportunity.
 - 2019 Par-Tee Dinner Auction and Golf Tournament. Event Concierge and Auction Technology Captain.
 - 2018 Holiday Event, Dinner, and Auction. Volunteer Coordinator. Assisted in placing students in this two-night event and coordinating the efforts of the student workers at registration, auction tables, guess assistance, packing room, and loading. Worked with the students in their various tasks both nights of the event. An additional 6 students took part in this service opportunity.
 - 2018 Make a Difference Day Service Project. Arranged a MADD service project for students who did not have another group to participate with. Students and I worked with Easterseals hand writing holiday, thank you, and donation cards. Approximately 60 students took part in this service project and over 6000 cards were written, stuffed, stamped, and addressed.
 - 2018 Par-Tee Dinner Auction and Golf Tournament. Event Concierge and Planning Committee Member.
 - 2018 summer office/clerical support (approximately 10 hours)

- 2018 Showers of Service Project. Arranged a SOS service project for students preparing letters of donation request for upcoming Easterseals Midwest events. Approximately 75 students participated in this event.
- 2017 Holiday Event, Dinner, and Auction. Volunteer Coordinator. Assisted in placing students in this two-night event and coordinating the efforts of the student workers at registration, auction tables, guess assistance, packing room, and loading. Worked with the students in their various tasks both nights of the event. An additional 11 students took part in this service opportunity. In addition, me and my son fund-raised to hire Team Fredbird to attend the event and entertain the kids.
- 2017 Make a Difference Day Service Project. Arranged a MADD service project for students who did not have another group to participate with. Students and I worked with Easterseals hand writing holiday, thank you, and donation cards. 85 students took part in this service project and over 8000 cards were written, stuffed, stamped, and addressed.
- 2017 Par-Tee Dinner Auction and Golf Tournament. Event Concierge and Planning Team member.
- 2017 Spring Service Organized over 80 students to paint Easterseals facilities at multiple locations across the St. Louis region. This project saved Easterseals over \$25,000 which was shifted to allow for the hiring of two part-time care givers for developmentally disabled individuals.
- 2017 summer office/clerical support (approximately 20 hours total)
- 2016 Holiday Event, Dinner, and Auction. November 2016. Volunteer Coordinator. Assisted in placing students in this two-night event and coordinating the efforts of the student workers at registration, auction tables, guess assistance, packing room, and loading. Worked with the students in their various tasks both nights of the event. An additional 9 students took part in this service opportunity.
- 2016 Make a Difference Day Service Project. October 2016. Arranged a MADD service project for students. Students and I worked with Easter Seals hand writing holiday, thank you, and donation cards. 85 students took part in this service project and over 8000 cards were written, stuffed, stamped, and addressed.
- Walk, Run, & Roll. Marketing and Outreach Co-Chair. November 2015 – June 2016. Developed this opportunity for students to engage in service while at the same time interacting with local business for advertising distribution. Coordinated volunteers, managed transportation, and went with students out into the community. Approximately 75 students took part in this service project completing approximately 500 hours of combined service, visiting just under 300 businesses and working 3 Cardinals games. Following the spring semester at the actual event, I served as an assistant volunteer coordinator. An additional 5 SLU students added service hours at this event as well.
- Easter Seals Midwest Annual Charity Golf Outing and Par-Tee. July 2016. Event Concierge.
- Easter Seals Midwest. April 2015-May 2015. Volunteer Organizer of St. Louis University students (approximately 30 students) and event worker.
- Places For People
 - As part of Fall 2017 Service Project, collected food to be provided at the Places for People shelter and started a bottled water collection drive to be used

- in the 2018 Health Hustle 5k which raises funds for assisting the homeless in St. Louis.
 - 2017 Health Hustle 5k. Volunteer Organizer. Find and organize student volunteers from St. Louis University to assist with the race. Myself and approximately 10 students took part in event set up, providing in race direction, and event take down.
 - 2016 Health Hustle 5k. Volunteer Organizer. Find and organize student volunteers from St. Louis University to assist with the race. Myself and approximately 15 students took part in event set up and hosted the “kids corner” to provide activities to children of race participants and spectators.
- Stanton Elementary
 - Volunteer one day a week working on developing reading and writing skills with elementary aged children. 2017-Current
 - Assisted and coordinated SLU student volunteers to host 2017 and 2018 fall festival for the elementary school.
 - Volunteer Coordinator. Organized SLU student volunteers to host 2018 Candy Cane Fling
- Rockwood School District: The Rose Award for Outstanding Service in Education Selection Committee Member. January 2021 – May 2021. Read and evaluate over 250 nominations to select winners for the Rose Award. Attend voting and committee meetings. Approximate service time: 40 total hours.
- Fall 2018 Service Project. *Prof. Sanders’ Coins 4A Cause*. Organized the “coins for a cause month (November) to benefit SLU Kappa Delta Kuts 4 Confidence. Provided event volunteers and raised approximately \$300 to benefit the Confidence Project which assists young women who are battling cancer.
- Spring 2018 Service Project. *Prof. Sanders’ Coins 4A Cause*. Organized the “coins for a cause month (April) to benefit causes important to the SLU community at large. Did a change drive to raise money for SLU Relay for Life, Rachael Schopp (a SLU senior currently in a coma after being hit by a car in the Central West End), and Makayla Hines (a SLU senior whose house burned down two weeks before spring break). I organized the presentations and collections, managing student aides to assist with the project. In total the collection raised \$750 in donations.
- Fall 2017 Service Project. Oversaw and organized a collection drive to assist St. Louis homeless population. I collected canned goods, peanut butter, bottled water, fruit, and socks which myself and students then took out to the St. Louis population. Sometimes this meant delivering to shelters, sometimes we walked the streets to meet the homeless and provide the goods. We also donated the canned goods to the Business School food drive, provided items to Places for People and SLU Xavier College Church. Me and the 4 students involved logged over 50 hours on this project late in 2017 and collected over 650 goods to distribute.
- 2017, 2018 Festival of Nations. John Cook School of Business Beer Tent booth worker.
- Congressional Award Mentor to two St. Louis University students. September 2016 – May 2019
- SLU Showers of Service, participant and volunteer organizer. Spring 2014, 2015, 2016, 2017

- Hope Lutheran Early Childcare Center. Volunteer Organizer of St. Louis University students to set up a reading room for children. December 2015, April 2016.
- St. Louis Jewish Community Center. Volunteer Organizer of St. Louis University students and sustainable food project worker. October (Make a Difference Day) 2015.
- Go St. Louis. Volunteer Organizer of St. Louis University students and event worker. April 2015
- Interfaith Partnership/Lydia House. Volunteer Organizer of St. Louis University students and food preparation for battered women's shelter. December 2014.
- Gateway Garlic Urban Farm. Volunteer Organizer of St. Louis University students and sustainable food project worker. October (Make a Difference Day) 2014.

Student Activities

- University of Missouri-St. Louis Student Chapter of National Association of Business Economics (NABE): 2003, 2004, 2005 Social Chair, 2006 President.
- University of Missouri-St. Louis Student Advisory Council: 2005, 2006.
- University of Missouri-St. Louis Accounting Club: 1998.
- Francis Howell North H.S: Student Council, Class Representative, Home Room Representative, Sports, Art Club, Math Club, Spanish Club, Pep Club, National Honor Society, Honors Science Olympiad, Honors courses in Math, English, History, Science.

Other Information of Interest/Fun Facts

- Additional Computing Skills: Windows, MS Excel, MS Word, MS PowerPoint, Quicken, QuickBooks.
- Seven years of instruction in Spanish, and one year in French.
- USA Football Certified Coach
- I have an avid love of cooking and have made two appearances on local television to present dishes.
- Trained barista and bartender and have created a certified drink.
- I have overseen the organization of two fundraisers (a dinner auction, and bbq/mouse races/auction) to benefit friends in need.
- I am an animal lover. I have volunteered at the St. Charles Humane Society and am often a contributor to Stray Rescue St. Louis.
