Dear SLU colleagues,

I hope this email finds you all well. As you know, the University Core was approved March 20, 2020 by the faculty councils and assemblies of all SLU colleges and schools that deliver undergraduate programs. The Core was then adopted on March 31, 2020 by both the SLU Council of Deans and Directors and Interim Provost Gillis.

The University Core includes seven (7) Associate Director positions (see [Core Proposal, pages 44-46](#)). The UCC note invites self-nominations for these seven positions; candidates from all colleges and schools are welcome to apply. You can find all seven position descriptions here (feel free to forward):

**The deadline for self-nomination is 1 May 2020.** Appointments will be made by 1 June, 2020; Associate Directors will begin on July 1, 2020 and will earn a full summer stipend of \$5000 for work in July / August.

If you have any questions about this process, or any of the seven position descriptions, please contact Ellen Crowell, Director of the University Core, at [ellen.crowell@slu.edu](mailto:ellen.crowell@slu.edu). We look forward to collaborating with you all as we continue the work of creating a shared undergraduate experience for all SLU students.

Sincerely,

Dr. Ellen Crowell  
Director of the University Core
